Reporting

Admin

An email address to receive formal/milestone reports and progress statements for the project
neptune.progress@ukaea.uk

Generic enquiry email
neptune@ukaea.uk

Neither of the above is as yet set up as of 1/2/21.

Until further notice, please send to
wayne.arter@ukaea.uk

Deliverables

1. Please submit slides presented at the KOM by 1st February.
2. Monthly reports – at or before the Second Progress Meeting of the month using the layout indicated (for January and February 2021).
3. Quarterly report (March 2021) - to consist of slides at workshop, plus financial information indicated for payment. It is expected that material will be the subject of a written report / draft paper by end of April.

Example RAG Report

Task	Responsible Person(s)	Start Date	Due Date	Comments
Contract no., task number and short title				
78, 1.1, Generation of edge mesh	VIP	4/1/21	20/3/21	On time and budget
82, 1.0, Widget integration	ANON	4/1/21	20/3/21	Postdoc deported, trashed system before leaving, backups lost, no chance of meeting deadline
82, 1.1, Clunker development	ANON	1/2/21	20/3/21	Postdoc deported but backups found, time may be made up by coPI
